

Tentative weekly schedule for ITSC 2214 Data Structures and Algorithms

The exact dates for your particular section would be posted in an announcement titled "This week in ITSC 2214" from week 3 onwards at the start of the week.

There will be another announcement titled "Mid-week Update", informing you on all the new content that was added to Canvas during the week, since the last announcement.

[A map of the course and the nodes in RealizeIt can be found here.](#)
